# About

PRNCUBE is a theme meme coin designed to offer the benefits that other meme coins don't give to its community. It offers Blockchain development and entertaining NFTs based on ETH, developing a decentralized community and ecosystem. The only meme token capable to blow its competition away and walk over.

PRNCUBE is more than just a token. It is a movement driven by new meme in crypto space. This community driven token focuses on making rags into riches transforming past mistakes into PRNCUBE gains.

PRNCUBE embodies the true spirit of meme resilience and laughter. We're here to prove that laughter.

# Goal

PRNCUBE aims to be No.1 community token allowing degens to rely freely. The ultimate goal is to soak up the liquidity from the competitors.

# Vision

Our vision is to create a vibrant and captivating community where actors can experience the excitement and thrill of decentralized development, while also enjoying the benefits of true ownership and control over their assets.

# Mission

Our mission is to utilize Web3 technology to create entertaining and highly engaging applications that push the boundaries of traditional development and the metaverse.

community**

# utility

PRNCUBE focuses on its token utility as this is a community project. Strong emphasis on the monetization of the project through NFT.

NFTs are integrated into the company's platform.

Exclusive benefits to NFT holders in terms of staking rewards, land acquisitions, discounts on trade taxes.

## How will the government work?

Token holders will be able to directly participate in governance of the following:  
Tax fees percentages and allocations  
Token distribution and allocation  
Grants and rewards.

## token allocation

**REWARDS:** 5% of the total tokens will be reserved for an airdrop to holders.

**STAKING:** 15% of the total tokens will be dedicated to staking, allowing token holders to earn rewards by holding and staking their tokens.

**DEVELOPMENT:** 14% of the total tokens will be focused on the development industry, which is a key focus for PRNCUBE. PRNCUBE Tokens will be used to incentivize and engage within the community and drive the growth of the platform.

**PUBLIC SALE:** 42% of the total tokens will be reserved for sale across different platforms.

**ECOSYSTEM DEVELOPMENT:** 10% of the total tokens will be used to finance the ongoing development and maintenance of the ecosystem, as well as any necessary research and development.

**Marketing:** 10% of the total tokens will be allocated to marketing efforts to promote the adoption and engagement of the Ecosystem.

**Team:** 4% of the total tokens will be reserved for the team to align their interests with those of the community and incentivize the continuation of efforts to build and improve upon the platform.

## STEP 2 - GO TO BITMART.COM

Sign in or create a new account on bitmart.com. Don't forget to verify your account.

## STEP 3 - GET SOME USDT

In order to buy the PRNCUBE, you have to buy or deposit USDT at Bitmart.

## STEP 4 - TRADE USDT/PRNCUBE

Use the search function and look for the USDT/PRNCUBE tradingpair. Now you can trade the PRNCUBE.

# Buy & hodl with compassion

PRNCUBE uses Blockchain and Web3 technology to create opportunity for people to show kindness at the same time.

Support the environment at the same time which is need of the hour.

On buying PRNCUBE tokens, users will indirectly help in:

Giving shelter to animals - Reforestation

Trying to save the critically endangered species

Combat the climate change

A new study shows that over 800 endangered species can be saved from extinction now for around \$1 per day per person even if only 5000 people worldwide decides to help.
